To Whom it May Concern:

We would like to file a request for a waiver for the e-rate filing deadline. We were under the impression we had more time and were busy trying to fix/figure out our existing internet issues. Being a school we deal with students, parents, office logistics, college acceptances, everyday problems and more on a daily basis. The lack of reliable internet has caused us to slow down our progress of work, and caused us to delay the filing process because we have had a technician come out to our campus about 2-3 times a week to deal with our connection problems.

If you could waive the deadline for us, we would be very appreciative and would benefit from the discount immensely!

Thank you for your attention and consideration.

Sincerely,

Elizabeth Antonyan  
Director of Administration and Outreach
